### BOUQUET

We think Foto News is a grand idea and could prove to be a very popular monthly magazine. It is hoped you get the co-operation from the public to help put Taranaki's own magazine on its feet.

(Signed) ALL THE FAMILY,  
Coronation Avenue, New Plymouth

### BRICKBAT

Foto News has possibilities if the photos were clearer, some are quite good, but others are too blurred. The price is rather high for poor pictures. I am personally in a position to get a lot of cross-examination, and on an average it has been good apart from the price. No malice intended.

(Signed) MR. G.H.D.,  
New Plymouth.

### BRICKBAT

Foto News could be a good idea, but 2/6 is a lot to pay to see a few pages of a selected few of Taranaki's social life. I believe in value for my money.

(Signed) F.J.H.,  
Fitzroy.

### BOUQUET

Foto News should certainly be a huge success. The first copy has covered a wide field of activities, and there is still plenty of room for advancement. The competition was unusual (?) and was hard to pick as I personally sent in two different entries and they were both wrong. Good luck for a grand venture.

(Signed) MRS. A.G.B.,  
Devon Street West.

### COVER PICTURE

A beautiful view of Mount Egmont from the Waiwakaiho Bridge on the main north outlet from New Plymouth.

All photos not previously acknowledged are from Crago Studios. Reprints may be had from any photographer.

## Editorial

FOTO NEWS September issue has one big improvement. Clearer photos and more photos.

Our aim is to portray life in Taranaki in picture form, and our most difficult task is to keep the editorial finger on all activities of community life. There is one thing we appreciate and it is hearing from our readers anywhere any time.

If you have any pictures you think would be of interest, or somebody or something you think we should photograph just drop a line to the above address.

It is proposed to pay 2/6 for every letter published in FOTO NEWS, be it Bouquet or Brickbat.

THE EDITOR,

FOTO NEWS address is: 22 Blackmore Street, New Plymouth.

The procession:—Above: Ferdinand, the highlight of a grand programme, staged to celebrate the South African v. Taranaki Rugby match. The parade was a fine effort of just what New Plymouth can do when put to the test. It was both amusing and interesting. Floats, novelty cyclists and clowns entertained thousands of spectators on August 11th, 1956. The weather was not so kind. Devon Street was lined with a dense crowd long before the pipe band leading the procession appeared around Gover Street on to Devon Street.

A well - acted musical comedy "All Aboard For Romance" was presented recently by the St. Andrew's Glee Club. There were 15 scenes which dealt with 11 different countries from N.Z. to Spain. The acting was of a very high standard and all concerned in the production merit the high praise which was accorded them.

The players were Mel Sowry, Kath Burley, Angus Burgess, Tom Ross, John Dawson, Ray Elliott, Frank Beaurepaire, Pat Dawson, Zadie Sproul, Bob Kirkland, Betty Frewin, Judith Watkins, Stanley McIntyre, Irene Ross, Jeanette Moore, Jill Allen.

#### The Calm at Waiweranui Point

A violent gale and broken power lines brought the captain and crew of the 787-ton coastal vessel Calm very close to tragedy. Fortunately they were able to walk ashore at low tide. The Calm went ashore at Waiweranui Point, Warea, at 2.10 a.m. on Saturday, 14th July, 1956. It was estimated that over 3000 people visited the scene. With the aid of remarkable seamanship and calm seas she freed herself on the 19th July.

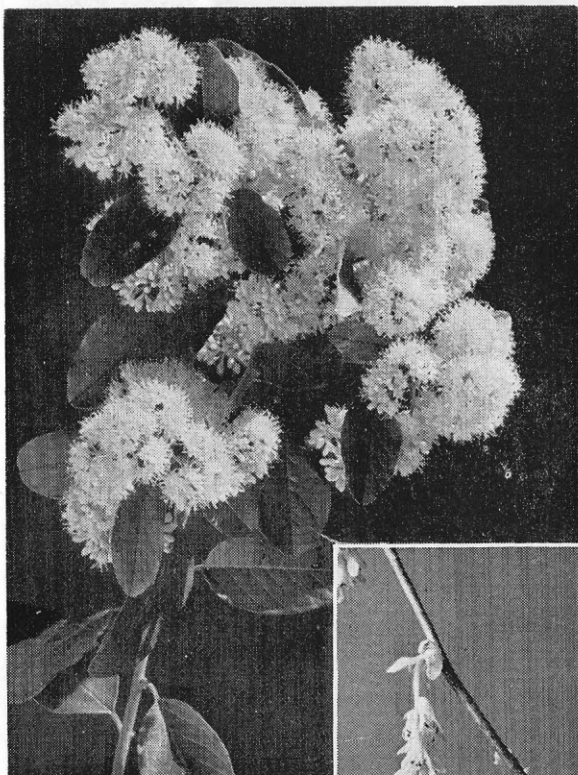

The Transport Department was kept busy (directing streams of traffic) under cold, wet and muddy conditions at the end of Stent Road, Warea.

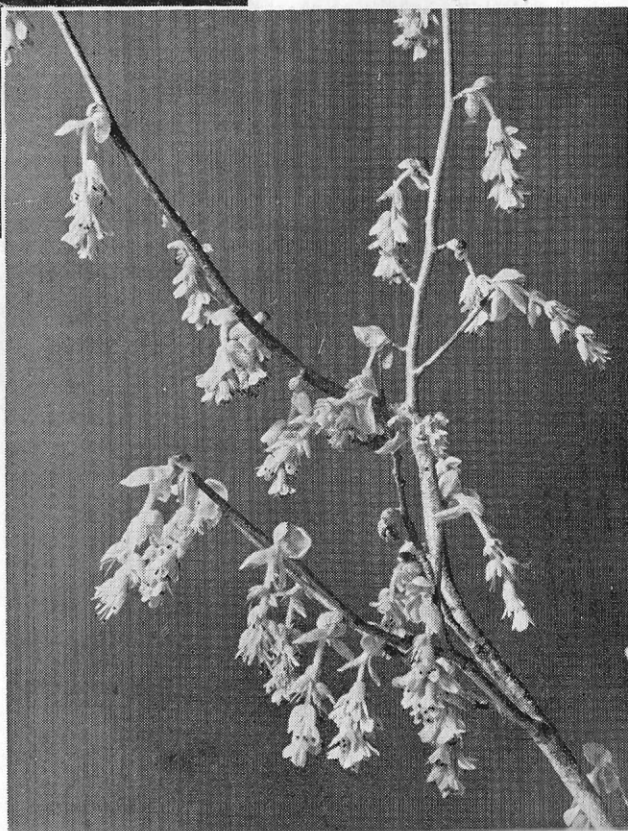

## Two pages for the flower lovers

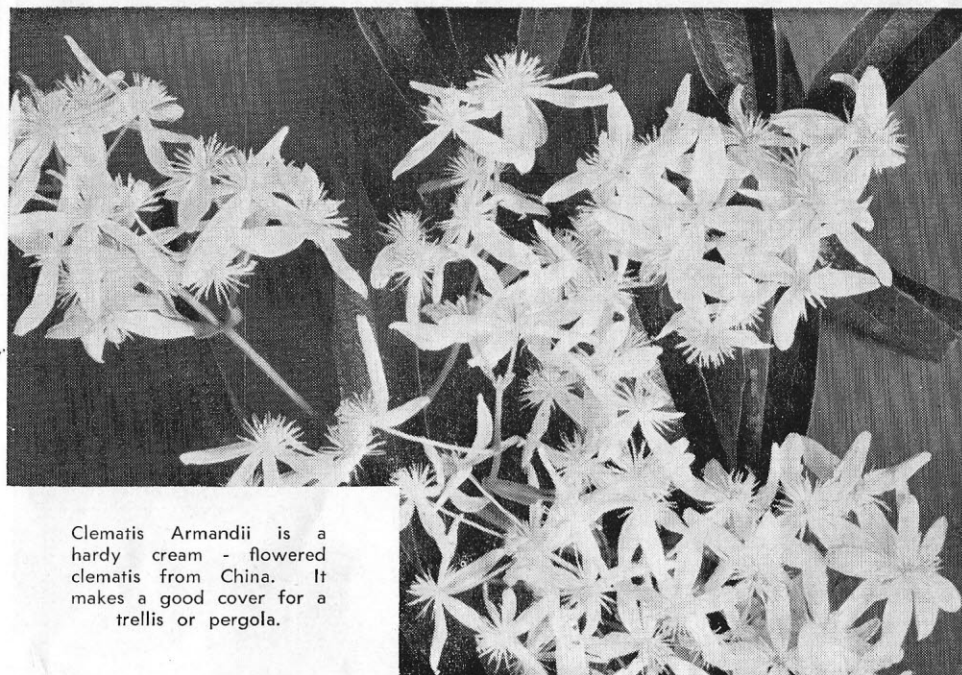

Photos: D. Elliott.

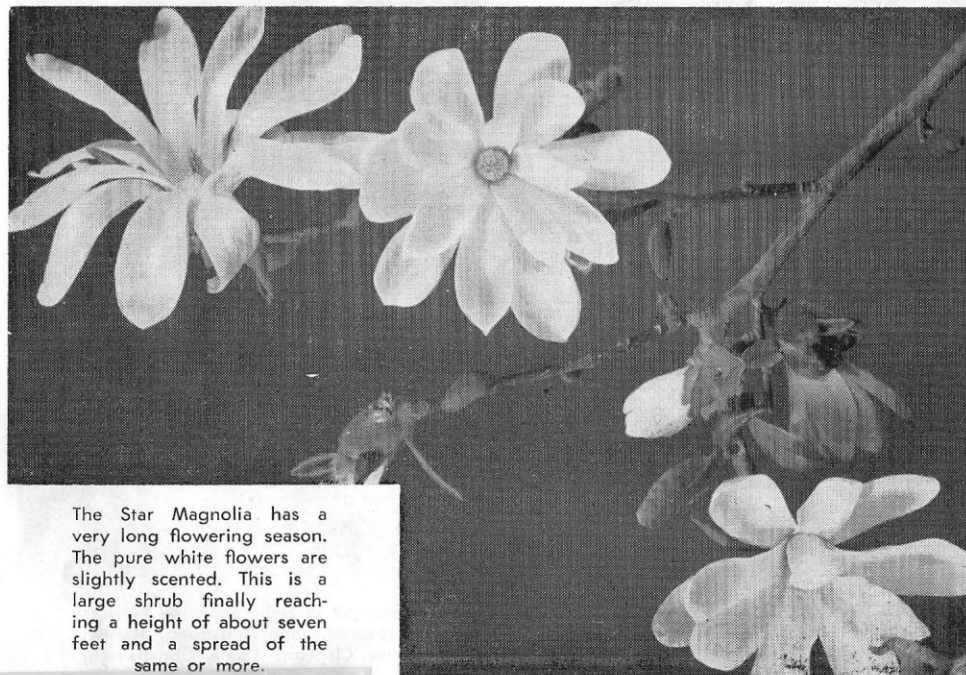

*Pomaderris elliptica* or the Golden Tainui is one of the prettiest of our native shrubs. Unfortunately the flowers do not last long but they make up for this with their wonderful profusion. The plant is extremely quick growing but is rather short-lived.

From Japan comes the pretty little Winter Hazel, *Corylopsis spicata*, which is flowering this month. The lemon-yellow catkins are slightly scented and look well in flower arrangements.

*Clematis Armandii* is a hardy cream - flowered clematis from China. It makes a good cover for a trellis or pergola.

The Star Magnolia has a very long flowering season. The pure white flowers are slightly scented. This is a large shrub finally reaching a height of about seven feet and a spread of the same or more.
